

PARKING INFORMATION – UBC ACADEMIC EXPLORATIONS

This year's UBC Academic Explorations program will be held at the **Woodward Library IRC1 and 3**. Once again, UBC Parking and Access has generously allowed our participants to purchase parking passes at a discounted rate. As of Wednesday, May 31st, they will be selling permits which will allow people to park in Health Sciences Parkade. The passes can also be used, at no additional charge in the Fraser Parkade if you want to visit the north end of campus in the afternoon. The Fraser Parkade, where we have often parked in the past, is located at 6440 Memorial Rd (the south side of the road) across from the Asian Centre and just east of the entrance to the Nitobe Memorial Garden.

The pricing this year is as follow:

1 week \$ 27 + 30.02% tax = \$35.10

The UBC Academic Explorations 2023 parking permit is valid for the Health Sciences Parkade located at 2250 Health Sciences mall. It is the closest parkade to Woodward and includes accessible parking accessible through the right hand-side entrance lane.

The new permits will be available for purchase from **Wednesday, May 31st onwards**. You can purchase one with a credit or debit card by visiting the **Access Desk located in the UBC Bookstore, 6200 University Boulevard** or over the phone by calling **604-822-6786** and selecting options 1 and then 6. Have your course confirmation letter, credit card and vehicle plate number in hand when processing your permit purchase. If you plate is out of BC, let the Parking staff know as well.

If you do not purchase a permit ahead of time, you can pay for parking at the Parkade Paystation on your arrival for your first course day. Fees paid at the Paystation are not refundable.

PUBLIC TRANSIT-For public transit information and schedules, call Translink at 604-953-3333 or view translink.bc.ca. The UBC Bus Loop is a 5 minute walk to/from Woodward. Translink also runs regular community shuttle buses on the UBC campus including the 68 UBC Exchange/Lower Mall and the 70 UBC Exchange/Wesbrook Mall (formerly the C18 and C20).
